Dated: 03rd June 2024.

Dear madam/sir,

As you are aware, capacity building of staff is prioritized under NTEP. In this direction, cadre-wise courses are being developed, tailored to the specific roles and responsibilities of the staff working under the program.

I am pleased to inform you that seven cadre wise courses viz. STS, STLS, Pharmacist, CHO, Health Volunteers and Treatment Supporters, Lab Technicians and Program Managers are now available on tbcindia.gov.in (Home » Thematic Areas » HRD & Training » Cadre-wise courses). The content of courses is regularly updated. The courses for other cadres are being developed.

You are requested to ensure that the content in the above courses is utilized in future.

Looking forward to your continued support in fight against Tuberculosis.

ham regards

(Dr. Rajendra P. Joshi)
